461 Sec. 6. Section 17a-10 of the general statutes is repealed and the  
462 following is substituted in lieu thereof (*Effective October 1, 2003*):

463 (a) Any child or youth committed to the department by the Superior  
464 Court shall be deemed to be within the custody of the commissioner  
465 until such commitment has been terminated.

466 (b) The commissioner shall pay for the support and maintenance of  
467 any delinquent child or youth who is in residence in any of the  
468 department's institutions or facilities or in transit from one institution  
469 or facility to another. The commissioner, in [his] the commissioner's sole  
470 discretion, may, if [he] the commissioner has sufficient funds, pay for  
471 the support and maintenance of any other child or youth who is in  
472 [his] the commissioner's custody. If a child or youth is in the custody of  
473 the commissioner and also committed to the Commissioner of Social  
474 Services, the Commissioner of Social Services shall pay for [his] such  
475 child's or youth's support and maintenance when [he] the child or  
476 youth is living elsewhere than in an institution or facility of the  
477 Department of Children and Families, unless there is other provision  
478 for [his] the child's or youth's support. Nothing in this section shall  
479 exempt any person from liability of support of children or youth under  
480 the supervision of the commissioner, when otherwise provided by law.

481 (c) When deemed in the best interests of a child or youth in the  
482 custody of the commissioner, the commissioner, [his] the  
483 commissioner's designee, a superintendent or assistant superintendent  
484 or, when the child or youth is in transit between department facilities,  
485 a designee of the commissioner, may authorize, on the advice of a  
486 physician licensed to practice in the state, medical treatment, including  
487 surgery, to insure the continued good health or life of the child or  
488 youth. Any of said persons may, when [he deems it] deemed to be in  
489 the best interests of the child or youth, authorize, on the advice of a  
490 dentist licensed to practice in the state, dentistry, including dental  
491 surgery, to insure the continued good health of the child or youth.

492 Upon such authorization, the commissioner shall exercise due  
493 diligence to inform the parents or guardian prior to taking such action,  
494 and in all cases shall send notice to the parents or guardian by letter to  
495 their last-known address informing them of the actions taken, of their  
496 necessity and of the outcome, but in a case where the commissioner  
497 fails to notify, such failure will not affect the validity of the  
498 authorization.

499 (d) If the Superior Court requests a report on any committed child  
500 or youth, the commissioner shall be responsible for preparing and  
501 transmitting such report to the requesting court. Not more than sixty  
502 days nor less than thirty days prior to the expiration of the original  
503 delinquency commitment of any child or youth to the department, the  
504 commissioner may file a motion for an extension of commitment  
505 pursuant to the provisions of section 46b-141. If the commissioner, or  
506 the board of review pursuant to the provisions of section 17a-15, as  
507 amended by this act, at any time during the delinquency commitment  
508 of [any] a child or youth, determines that termination of the  
509 delinquency commitment of [a] such child or youth is in the best  
510 interest of such child or youth, the commissioner or the board may  
511 terminate the delinquency commitment and such termination shall be  
512 effective without further action by the court.

513 Sec. 7. Section 17a-11 of the general statutes is repealed and the  
514 following is substituted in lieu thereof (*Effective October 1, 2003*):

515 (a) The commissioner may, in the commissioner's discretion, admit  
516 to the department on a voluntary basis any child or youth who, in the  
517 commissioner's opinion, could benefit from any of the services offered  
518 or administered by, or under contract with, or otherwise available to,  
519 the department. Application for voluntary admission shall be made in  
520 writing by the parent or guardian of a child under fourteen years of  
521 age or by such person himself or herself if he or she is a child fourteen  
522 years of age or older or a youth.

523 (b) A child or youth voluntarily admitted to the department shall be

524 deemed to be within the care of the commissioner until such admission  
525 is terminated. The commissioner shall terminate the admission of any  
526 child or youth voluntarily admitted to the department within ten days  
527 after receipt of a written request for termination from a parent or  
528 guardian of any child under fourteen years of age or from a child if  
529 such child is fourteen years of age or older, or youth, unless prior to  
530 the expiration of that time the commissioner has sought and received  
531 from the Superior Court an order of temporary custody as provided by  
532 law. The commissioner may terminate the admission of any child or  
533 youth voluntarily admitted to the department after giving reasonable  
534 notice in writing to the parent or guardian of any child under fourteen  
535 years of age and to a child fourteen years of age or older, and to any  
536 youth. Any child or youth admitted voluntarily to the department may  
537 be placed in, or transferred to, any resource, facility or institution  
538 within the department or available to the commissioner except the  
539 Connecticut Juvenile Training School, provided the commissioner shall  
540 give written notice to such child or youth and to the parent or  
541 guardian of the child or youth of the commissioner's intention to make  
542 a transfer at least ten days prior to any actual transfer, unless written  
543 notice is waived by those entitled to receive it, or unless an emergency  
544 commitment of such child or youth is made pursuant to section 17a-  
545 502.

546 (c) Not more than one hundred twenty days after admitting a child  
547 or youth on a voluntary basis, the department shall petition the  
548 probate court for the district in which a parent or guardian of the child  
549 or youth resides for a determination as to whether continuation in care  
550 is in the child's or youth's best interest and, if so, whether there is an  
551 appropriate case service or permanency plan. A permanency plan shall  
552 be prepared for all children and youth in out of home placement  
553 pursuant to the provisions of subsection (d) of this section. Upon  
554 receipt of such application, the court shall set a time and place for  
555 hearing to be held within thirty days of receipt of the application,  
556 unless continued by the court for cause shown. The court shall order  
557 notice of the hearing to be given by regular mail at least five days prior

558 to the hearing to the Commissioner of Children and Families, and by  
559 certified mail, return receipt requested, at least five days prior to the  
560 hearing to the parents or guardian of the child or youth and the minor,  
561 if over twelve years of age. If the whereabouts of the parent or  
562 guardian are unknown, or if delivery cannot reasonably be effected,  
563 then notice shall be ordered to be given by publication. In making its  
564 determination, the court shall consider the items specified in  
565 subsection (d) of this section. The court shall possess continuing  
566 jurisdiction in proceedings under this section.

567 (d) (1) Ten months after admitting a child or youth on a voluntary  
568 basis and annually thereafter if the child or youth remains in the  
569 custody of the commissioner and is in out-of-home placement, the  
570 commissioner shall file a motion for review of a permanency plan. A  
571 hearing on such motion shall be held not later than thirty days after the  
572 filing of such motion. The court shall provide notice to the  
573 commissioner, the child or youth and such child's or youth's parent or  
574 guardian of the time and place of the hearing on such motion not less  
575 than ten days prior to the date of such hearing.

576 (2) At a permanency hearing held in accordance with the provisions  
577 of subdivision (1) of this subsection, the court shall approve a  
578 permanency plan that is in the best interests of the child or youth and  
579 takes into consideration the child's or youth's need for permanency.  
580 The health and safety of the child or youth shall be of paramount  
581 concern in formulating such plan. At such hearing, the court shall  
582 consider among other things: (A) The appropriateness of the  
583 department's plan for service to the child or youth and his or her  
584 family; (B) the treatment and support services that have been offered  
585 and provided to the child or youth to strengthen and reunite the  
586 family; (C) if return home is not likely for the child or youth, the efforts  
587 that have been made or should be made to evaluate and plan for other  
588 modes of care; and (D) any further efforts which have been or will be  
589 made to promote the best interests of the child or youth.

590 (3) The permanency plan pursuant to subdivision (2) of this

591 subsection may include the goal of (A) placement of the child or youth  
592 with the parent or guardian, (B) transfer of guardianship, (C) long-  
593 term foster care with a relative licensed as a foster parent or certified as  
594 a relative caregiver, (D) termination of parental rights and adoption, or  
595 (E) such other planned permanent living arrangement ordered by the  
596 court provided the commissioner has documented a compelling reason  
597 why it would not be in the best interest of the child or youth for the  
598 permanency plan to include the goals in subparagraphs (A) to (D),  
599 inclusive, of this subdivision. Such other planned permanent living  
600 arrangement may include, but not be limited to, placement of a child  
601 or youth in an independent living program or long-term foster care  
602 with an identified foster parent.

603 (4) At a permanency hearing, the court shall review the status of the  
604 child or youth, the progress being made to implement the permanency  
605 plan, determine a timetable for attaining the permanency prescribed  
606 by the plan and determine whether the commissioner has made  
607 reasonable efforts to achieve the permanency plan. At the conclusion  
608 of the hearing, the court may: (A) Direct that the services being  
609 provided, or the placement of the child or youth and reunification  
610 efforts, be continued if the court, after hearing, determines that  
611 continuation of the child or youth in services or placement is in the  
612 [child] child's or youth's best interests, or (B) direct that the [child]  
613 child's or youth's services or placement be modified to reflect the  
614 [child] child's or youth's best interest.

615 (e) The commissioner shall adopt regulations<sub>2</sub> in accordance with  
616 chapter 54<sub>2</sub> describing the documentation required for voluntary  
617 admission and for informal administrative case review, upon request,  
618 of any denial of an application for voluntary admission.

619 (f) Any person aggrieved by a decision of the commissioner denying  
620 voluntary services may appeal such decision through an  
621 administrative hearing held pursuant to chapter 54.

622 (g) Notwithstanding any provision of sections 17a-1 to 17a-26,

623 inclusive, as amended by this act, and 17a-28 to 17a-49, inclusive, [to  
624 the contrary,] any person already under the care and supervision of the  
625 Commissioner of Children and Families who has passed such person's  
626 eighteenth birthday but has not yet reached such person's twenty-first  
627 birthday, may be permitted to remain voluntarily under the  
628 supervision of the commissioner, provided said commissioner, in said  
629 commissioner's discretion, determines that such person would benefit  
630 from further care and support from the Department of Children and  
631 Families.

632 (h) Upon motion of any interested party in a Probate Court  
633 proceeding under this section, the probate court of record may transfer  
634 the file for cause shown to a probate court for a district other than the  
635 district in which the initial or dispositional hearing was held. The file  
636 shall be transferred by the probate court of record making copies of all  
637 recorded documents in the court file, certifying each of them, and  
638 delivering the certified copies to the probate court to which the matter  
639 is transferred.

640 Sec. 8. Subsections (d) and (e) of section 17a-15 of the general  
641 statutes are repealed and the following is substituted in lieu thereof  
642 (*Effective October 1, 2003*):

643 (d) Upon motion of any sibling of any child or youth committed to  
644 the Department of Children and Families pursuant to section 46b-129,  
645 in any pending hearing held pursuant to subsection (c) of this section,  
646 such sibling shall have the right to be heard concerning visitation with,  
647 and placement of, any such child or youth.

648 (e) Any hearing held pursuant to a request made under subsection  
649 (c) or (d) of this section shall be conducted as a contested case in  
650 accordance with chapter 54 provided: (1) A final decision shall be  
651 rendered within fifteen days following the close of evidence and filing  
652 of briefs; and (2) any appeal of a decision pursuant to section 4-183  
653 shall be to the district of the superior court for juvenile matters, where  
654 the child or youth is located, as established in section 46b-142.

655 Sec. 9. Subsection (a) of section 17a-17 of the general statutes is  
656 repealed and the following is substituted in lieu thereof (*Effective*  
657 *October 1, 2003*):

658 (a) The Commissioner of Children and Families may, after  
659 consultation with the Commissioner of Administrative Services,  
660 establish by regulation a payment system, which shall be adopted in  
661 accordance with chapter 54, for the direct payment of the reasonable  
662 expense of goods or services determined by said commissioner to be  
663 necessary for the care and maintenance of any child or youth in [his]  
664 the commissioner's custody, or under [his] the commissioner's  
665 guardianship, whether or not the child or youth has income or estate.  
666 Ninety per cent of a clean claim for payments shall be made no later  
667 than thirty days from receipt of the request for payment and ninety-  
668 nine per cent shall be made within ninety days of such receipt. Upon  
669 request of the Commissioner of Children and Families, the  
670 Comptroller shall draw his or her order on the Treasurer, from time to  
671 time, for such part of the appropriation for care of such children and  
672 youth as may be needed in order to enable the commissioner to make  
673 such payments. The Department of Administrative Services may bill to  
674 and collect from the person in charge of the estate of any child or  
675 youth in the custody of the Commissioner of Children and Families or  
676 under said commissioner's guardianship, including his or her  
677 descendants' estate, or the payee of such child's or youth's income, the  
678 total amount expended for care of such child or youth or such portion  
679 thereof as any such estate or payee is able to reimburse. For the  
680 purposes of this section "clean claim" means a claim which can be  
681 processed without obtaining additional substantiation from the  
682 applicant for payment or other person entitled to receive payment. A  
683 claim submitted by an applicant who is under investigation for fraud  
684 or abuse shall not be considered a clean claim.

686 following is substituted in lieu thereof (*Effective October 1, 2003*):

687 The Commissioners of Mental Health and Addiction Services and

688 Children and Families shall insure that any federal funds available to  
689 this state for services of any kind to children and youth which,  
690 pursuant to federal statute or regulation, are required to be  
691 administered by or payable to or under control of the Department of  
692 Mental Health and Addiction Services, shall, by purchase of service or  
693 otherwise, be transferred to and expended by the Department of  
694 Children and Families.

1172 detrimental to his or her emotional or mental condition. If the child or  
1173 youth is medicated at that time, a representative from the hospital  
1174 shall inform the court of such fact and of the common effects of such  
1175 medication. At the request of counsel for such child or youth or if in  
1176 the opinion of at least one physician the child or youth could be a  
1177 danger to himself or herself or others or it would be detrimental to the  
1178 child's or youth's health and welfare to travel to the court facility  
1179 hearing the application, then such hearing shall be held at the hospital

1180 in which the child or youth is hospitalized. In that event, such hospital  
1181 shall provide adequate facilities for such hearing. All interested parties  
1182 shall have the right to present evidence and cross-examine witnesses  
1183 who testify at any hearing on the application.

1184 (e) If, after such hearing, the court finds by clear and convincing  
1185 evidence that the child or youth suffers from a mental disorder, is in  
1186 need of hospitalization for treatment, and such treatment is available,  
1187 and such hospitalization is the least restrictive available alternative, it  
1188 shall make an order for his or her commitment for a definite period not  
1189 to exceed six months to a hospital for mental illness of children and  
1190 youth to be named in such order. Unless already hospitalized, such  
1191 order shall direct some suitable person to convey the child or youth to  
1192 such hospital together with a copy of such order. In appointing a  
1193 person to execute such order, the court shall give preference to a near  
1194 relative or friend of the child or youth, so far as it deems practicable  
1195 and judicious. All costs for transportation shall be paid in accordance  
1196 with section 17a-82, as amended by this act. Such hospital shall release  
1197 the child or youth when it concludes that he or she is no longer in need  
1198 of hospitalization.

1199 (f) Any child or youth who has been committed by any court to a  
1200 hospital for mental illness of children and youth may be transferred to  
1201 any other hospital for mental illness of children and youth upon  
1202 agreement of the superintendents of the respective institutions from  
1203 and to which it is desired to make such transfer. Such agreement shall  
1204 be in writing, executed in triplicate and in accordance with a form  
1205 prescribed by the Attorney General, which form shall be uniform  
1206 throughout the state. One copy of such agreement shall be filed for  
1207 record in the court by which such person was committed and one copy  
1208 retained in the files of each of the institutions participating in such  
1209 transfer. Any such agreement shall have the same effect as an order of  
1210 the court committing the person named in such order. No such  
1211 transfer shall be made until the parent or representative of the child or  
1212 youth has received written notification. The parent of any child or  
1213 youth so transferred, or his or her next friend, may make application to

1214 the court which made the order of commitment, for a revocation or  
1215 modification of such agreement, and such court shall order such notice  
1216 of the time and place of hearing on such application as it finds  
1217 reasonable and upon such hearing may revoke, modify or affirm such  
1218 transfer. Such application shall act as a stay of any such order of  
1219 transfer. Such hospital shall release the child or youth when it  
1220 concludes that he or she is no longer in need of hospitalization.

1221 (g) No later than ten days prior to the expiration of the period of  
1222 commitment, or prior to the expiration of any period of recommitment  
1223 under the provisions of sections [17a-75] 17a-76 to 17a-83, inclusive, as  
1224 amended by this act, an application for recommitment may be brought  
1225 by any person to the court which heard the original application. Such  
1226 application shall be brought in conformity with the provisions of this  
1227 section and section 17a-76, as amended by this act, and may result in a  
1228 further commitment for a definite period not to exceed six months. In  
1229 the event such an application is filed, the original commitment or  
1230 recommitment order shall be extended for a sufficient time to hold a  
1231 hearing under this section and section 17a-76, as amended by this act,  
1232 but in no event for more than twenty days beyond the expiration of the  
1233 original commitment or recommitment. All fees and expenses incurred  
1234 upon proceedings required by this section shall be payable as provided  
1235 in section 17a-82, as amended by this act.

1236 Sec. 16. Section 17a-78 of the general statutes is repealed and the  
1237 following is substituted in lieu thereof (*Effective October 1, 2003*):

1238 (a) If a physician determines that a child or youth is in need of  
1239 immediate hospitalization for evaluation or treatment of a mental  
1240 disorder, the child or youth may be hospitalized under an emergency  
1241 or diagnostic certificate as provided in this section for not more than  
1242 fifteen days without order of any court, unless a written application for  
1243 commitment of such child or youth has been filed in the Court of  
1244 Probate prior to the expiration of the fifteen days, in which event such  
1245 hospitalization shall be continued under the emergency certificate for  
1246 an additional fifteen days or twenty-five days if the matter has been

1247 transferred to the Superior Court, or until the completion of court  
1248 proceedings, whichever occurs first. At the time of delivery of such  
1249 child or youth to such hospital, there shall be left, with the persons in  
1250 charge of such hospital, a certificate, signed by a physician licensed to  
1251 practice medicine or surgery in Connecticut and dated not more than  
1252 three days prior to its delivery to the person in charge of the hospital.  
1253 Such certificate shall state the findings of the physician and the date of  
1254 personal examination of the child or youth to be hospitalized, which  
1255 shall be not more than three days prior to the date of the signature of  
1256 the certificate.

1257 (b) Any child or youth hospitalized under this section shall be  
1258 examined by a physician specializing in psychiatry within twenty-four  
1259 hours of admission. If such physician is of the opinion that the child or  
1260 youth does not require hospitalization for emergency evaluation or  
1261 treatment of a mental disorder, such child or youth shall be  
1262 immediately discharged. The physician shall record his or her findings  
1263 in a permanent record.

1264 (c) If any child or youth is hospitalized under this section, the child  
1265 or youth and the guardian of such child or youth shall be promptly  
1266 informed by the hospital that such child or youth has the right to  
1267 consult an attorney and the right to a hearing under subsection (d) of  
1268 this section, and that if such a hearing is requested or an application  
1269 for commitment is filed, such child or youth has the right to be  
1270 represented by counsel, and that counsel will be provided at the state's  
1271 expense if the child or youth is unable to pay for such counsel. The  
1272 reasonable compensation for counsel provided to persons unable to  
1273 pay shall be established by, and paid from funds appropriated to, the  
1274 Judicial Department, however, if funds have not been included in the  
1275 budget of the Judicial Department for such purposes, such  
1276 compensation shall be established by the Probate Court Administrator  
1277 and paid from the Probate Court Administration Fund.

1278 (d) At any time prior to the initiation of proceedings under section  
1279 17a-76, as amended by this act, any child or youth hospitalized under

1280 this section or his or her representative, may, in writing, request a  
1281 hearing. Such hearing shall be held within seventy-two hours of  
1282 receipt of such request, excluding Saturdays, Sundays and holidays. At  
1283 such hearing, the child or youth shall have the right to be present, to  
1284 cross-examine all witnesses testifying, and to be represented by  
1285 counsel as provided in section 17a-76, as amended by this act. The  
1286 hearing shall be held by the court of probate having jurisdiction for  
1287 commitment as provided in section 17a-76, as amended by this act, and  
1288 the hospital shall immediately notify such court of any request for a  
1289 hearing by a child or youth hospitalized under this section. At the  
1290 conclusion of the hearing, if the court finds that there is probable cause  
1291 to conclude that the child or youth is subject to involuntary  
1292 hospitalization under this section, considering the condition of the  
1293 child or youth at the time of the admission and at the time of the  
1294 hearing, the effects of medication, if any, and the advisability of  
1295 continued treatment based on testimony from the hospital staff, the  
1296 court shall order that such child's or youth's hospitalization continue  
1297 for the remaining time provided for in the emergency certificate or  
1298 until the completion of probate proceedings under section 17a-76, as  
1299 amended by this act. If the court does not find there is probable cause  
1300 to conclude that the child or youth is subject to involuntary  
1301 hospitalization under this section, the child or youth shall be  
1302 immediately discharged.

1303 (e) The superintendent or director of any hospital for mental illness  
1304 of children and youth shall immediately discharge any child or youth  
1305 admitted under this section who is later found not to meet the  
1306 standards for emergency treatment.

1307 Sec. 17. Section 17a-79 of the general statutes is repealed and the  
1308 following is substituted in lieu thereof (*Effective October 1, 2003*):

1309 (a) Except as provided in subsection (b) of this section, any hospital  
1310 may admit any child or youth for diagnosis or treatment of a mental  
1311 disorder upon the written request of the child's or youth's parent. A  
1312 child or youth fourteen years of age or over may be admitted under

1313 this section without consent of his or her parents if such child or youth  
1314 consents in writing, provided that the parents of such child or youth, if  
1315 any, shall be notified within five days of such admission that such  
1316 child or youth has been hospitalized under the provisions of this  
1317 subsection. If the whereabouts of such parents are unknown, then such  
1318 child's or youth's nearest relative shall be so notified. In the event that  
1319 a child's or youth's parent or guardian requests in writing release of  
1320 such child or youth, or in the event a child or youth age fourteen or  
1321 older who has been admitted with his or her written consent requests  
1322 in writing his or her release, the hospital shall release such child or  
1323 youth or commence commitment proceedings in accordance with  
1324 sections 17a-76 and 17a-77, as amended by this act, and the hospital  
1325 may detain the child or youth for five business days, in order to allow  
1326 an application to be filed. In the event such an application is filed, such  
1327 hospitalization shall be continued for an additional period of time to  
1328 allow such application to be heard, but in no event shall such  
1329 hospitalization continue for more than fifteen days, or twenty-five  
1330 days, if the matter has been transferred to the Superior Court, beyond  
1331 the receipt of such application by the court.

1332 (b) No child or youth in the custody of the Commissioner of  
1333 Children and Families shall be admitted for diagnosis or treatment  
1334 except in accordance with sections 17a-76 to 17a-78, inclusive, as  
1335 amended by this act, unless (1) the commissioner requests such  
1336 admission, (2) legal counsel appointed by the [court] Superior Court  
1337 for Juvenile Matters or the Probate Court in accordance with section  
1338 17a-76, as amended by this act, agrees, in writing, to such admission,  
1339 and (3) the child or youth, if fourteen years of age or over consents to  
1340 such admission. The parents or guardian of the person of such child or  
1341 youth, if any, shall be notified within five days of such admission that  
1342 such child or youth has been hospitalized under the provisions of this  
1343 section. If the whereabouts of such parents or guardian of the person is  
1344 unknown, then the nearest relative of such child or youth shall be  
1345 notified. In the event either parent or the guardian of the person of the  
1346 child or youth requests in writing the release of such child or youth,

1347 the hospital shall release such child or youth, unless the Commissioner  
1348 of Children and Families commences commitment proceedings in  
1349 accordance with sections 17a-76 and 17a-77, as amended by this act.  
1350 The hospital may detain the child or youth for five business days after  
1351 receipt of the written request in order to allow an application to be  
1352 filed. If an application is filed, hospitalization shall be continued for an  
1353 additional period of time to allow the application to be heard, but in no  
1354 event shall hospitalization continue for more than fifteen days, or  
1355 twenty-five days, if the matter has been transferred to the Superior  
1356 Court, beyond the receipt of such application by the court.

1357 Sec. 18. Section 17a-80 of the general statutes is repealed and the  
1358 following is substituted in lieu thereof (*Effective October 1, 2003*):

1359 If any child or youth, fourteen years of age or over, hospitalized  
1360 upon the written request of his or her parent under section 17a-79, as  
1361 amended by this act, or his or her representative, requests a hearing in  
1362 writing, to review his or her status as a voluntary patient, such hearing  
1363 shall be held within three business days. Any child or youth fourteen  
1364 years of age or over shall be informed in writing of his or her right to  
1365 have a hearing under this section upon admission to the hospital and  
1366 any child or youth reaching the age of fourteen who is already  
1367 hospitalized as a voluntary patient shall be informed within five days  
1368 of his or her reaching such age. At such hearing, the child or youth  
1369 shall have the right to be present, to cross-examine all witnesses  
1370 testifying, and to be represented by counsel as provided in section 17a-  
1371 77, as amended by this act. The hearing may be requested at any time  
1372 prior to the initiation of proceedings under section 17a-76, as amended  
1373 by this act. The hearing shall be held by the court of probate in the  
1374 district in which the hospital is located. The hospital shall immediately  
1375 notify such court of any request for a hearing by a child or youth  
1376 hospitalized under section 17a-79, as amended by this act. At the  
1377 conclusion of the hearing, unless the court finds that there is clear and  
1378 convincing evidence to conclude that the child or youth suffers from a  
1379 mental disorder and is in need of hospitalization for treatment, that  
1380 such treatment is available and that there is no less restrictive available

1381 alternative, the court shall order such child's or youth's release from  
1382 the hospital, otherwise such hospitalization may continue in  
1383 accordance with section 17a-79, as amended by this act. In no event  
1384 shall a request for a hearing under this section be granted more than  
1385 once in each ninety-day period. All fees and expenses incurred upon  
1386 proceedings required by this section shall be paid as provided in  
1387 section 17a-82, as amended by this act. The hospital shall furnish the  
1388 court of probate in the district in which such hospital is located, on a  
1389 monthly basis, a list of all children and youth admitted under the  
1390 provisions of section 17a-79, as amended by this act, who have been  
1391 hospitalized for a period of one year. Within ten days thereafter, such  
1392 court shall appoint an impartial physician specializing in psychiatry  
1393 from the panel of physicians established under subsection (b) of  
1394 section 17a-77, as amended by this act, who shall see and examine each  
1395 such child or youth within fifteen days after the appointment. If, in the  
1396 opinion of such physician, such child or youth does not need  
1397 continued hospitalization, then such child or youth shall be released  
1398 unless an application is filed for his or her hospitalization under the  
1399 provisions of sections 17a-76 to 17a-78, inclusive, as amended by this  
1400 act.

1401 Sec. 19. Section 17a-81 of the general statutes is repealed and the  
1402 following is substituted in lieu thereof (*Effective October 1, 2003*):

1403 (a) Parental consent shall be necessary for treatment. In the event  
1404 such consent is withheld or immediately unavailable and the physician  
1405 concludes that treatment is necessary to prevent serious harm to the  
1406 child or youth, such emergency treatment may be administered  
1407 pending receipt of parental consent.

1408 (b) Involuntary patients may receive medication and treatment  
1409 without their consent, or the consent of their parents, but no medical or  
1410 surgical procedures may be performed without the written informed  
1411 consent of: (1) The child's or youth's parent, if he or she has one; or (2)  
1412 such child's [next of kin] or youth's legal guardian; or (3) a qualified  
1413 physician appointed by a judge of the Probate Court who signed the

1414 order of hospitalization, except in accordance with subsection (c) of  
1415 this section.

1416 (c) If the head of a hospital, in consultation with a physician,  
1417 determines that the condition of a child or youth, whether a voluntary  
1418 or involuntary patient, is of an extremely critical nature, then  
1419 emergency measures may be taken without the consent otherwise  
1420 provided for in this section.

1421 Sec. 20. Section 17a-82 of the general statutes is repealed and the  
1422 following is substituted in lieu thereof (*Effective October 1, 2003*):

1423 (a) When any child or youth is in need of hospitalization and is  
1424 hospitalized in a state hospital for children and youth under sections  
1425 [17a-75] 17a-76 to 17a-83, inclusive, as amended by this act, or when an  
1426 applicant is indigent, all fees and expenses incurred upon the court  
1427 commitment proceedings, except attorneys fees paid pursuant to the  
1428 provisions of section 17a-77, as amended by this act, shall be paid by  
1429 the state, from funds appropriated to the Department of Children and  
1430 Families, and if any child or youth is hospitalized in a private hospital  
1431 or if any child or youth is found not to be mentally disordered and in  
1432 need of hospitalization, such fees and expenses shall be paid by the  
1433 applicant, except attorneys fees paid under the provisions of section  
1434 17a-77, as amended by this act. Compensation shall be determined by  
1435 the court hearing the matter in accordance with rules adopted by the  
1436 Superior Court.

1437 (b) The expenses, if any, of necessary transportation to a state  
1438 hospital for mental illness for hospitalization of any child or youth  
1439 shall be paid for by the Department of Children and Families, if such  
1440 child or youth or legally liable relative is unable to pay for the same.

1441 (c) The expenses of medically necessary transportation from any  
1442 state facility or hospital to any other state facility or hospital shall be  
1443 assumed by the state facility or hospital which initiated the transfer of  
1444 such child or youth.

1445 Sec. 21. Section 17a-83 of the general statutes is repealed and the  
1446 following is substituted in lieu thereof (*Effective October 1, 2003*):

1447 Any person who wilfully files or attempts to file or conspires with  
1448 any person to file a fraudulent or malicious application, order or  
1449 request for the commitment, hospitalization or treatment of any child  
1450 or youth pursuant to section 17a-76, 17a-78 or 17a-79, as amended by  
1451 this act, and any person who wilfully certifies falsely to the mental  
1452 disorder of any child or youth in any certificate provided for in this  
1453 part, and any person who, under the provisions of sections [17a-75]  
1454 17a-76 to 17a-83, inclusive, as amended by this act, relating to mentally  
1455 ill minors, wilfully reports falsely to any court or judge that any child  
1456 or youth is mentally disordered, shall be fined not more than one  
1457 thousand dollars or imprisoned not more than five years or both.

1458 Sec. 22. Section 17a-90 of the general statutes is repealed and the  
1459 following is substituted in lieu thereof (*Effective October 1, 2003*):

1460 (a) The Commissioner of Children and Families shall have general  
1461 supervision over the welfare of children and youth who require the  
1462 care and protection of the state.

1463 (b) [He] The commissioner shall furnish protective services or  
1464 provide and pay, wholly or in part, for the care and protection of  
1465 children and youth other than those committed by the Superior Court  
1466 whom [he] the commissioner finds in need of such care and protection  
1467 from the state, and such payments shall be made in accordance with  
1468 the provisions of subsection (k) of section 46b-129 provided the  
1469 Commissioner of Administrative Services shall be responsible for  
1470 billing and collecting such sums as are determined to be owing and  
1471 due from the parent of the noncommitted child or youth in accordance  
1472 with section 4a-12 and subsection (b) of section 17b-223.

1473 (c) [He] The commissioner shall [issue] adopt such regulations, in  
1474 accordance with chapter 54, as [he] the commissioner may find  
1475 necessary and proper to assure the adequate care, health and safety of  
1476 children and youth under [his] the commissioner's care and general

1477 supervision.

1478 (d) [He] The commissioner may provide temporary emergency care  
1479 for any child or youth whom [he] the commissioner deems to be in  
1480 need thereof.

1482 in [his] the commissioner's guardianship through the resources of

1491 following is substituted in lieu thereof (*Effective October 1, 2003*):

1493 February fifteenth annually, to the Governor and to the joint standing  
1494 committees of the General Assembly having cognizance of matters

1496 opportunities, with respect to the status, (1) as of the January first

1498 custody, including in such report the date of commitment with respect  
1499 to each child or youth, and (2) of the central registry and monitoring

1790 or youth's household is the perpetrator of the alleged abuse or neglect.  
1791 If consent is not required to conduct the interview, such interview shall  
1792 be conducted in the presence of a disinterested adult unless immediate  
1793 access to the child or youth is necessary to protect the child or youth

2109 the purpose of relocating a foster child with such child's legal family or  
2110 finding a permanent home for such child, including, but not limited to,

2138 the child or youth for adoption or in some other permanent home,

2272 or youth or engaged in a pattern of abuse of the child or youth; (2) the  
2273 parent has killed, through deliberate, nonaccidental act, another child  
2274 or youth of the parent or a sibling of the child or youth, or has  
2275 required, commanded, importuned, attempted, conspired or solicited  
2276 to commit the killing of the child or youth, another child or youth of  
2277 the parent or sibling of the child or youth, or has committed an assault,  
2278 through deliberate, nonaccidental act, that resulted in serious bodily  
2279 injury of the child or youth, another child or youth of the parent or a  
2280 sibling of the child or youth; (3) the parental rights of the parent to a  
2281 sibling have been involuntarily terminated within three years of the  
2282 filing of a petition pursuant to this section, provided the commissioner  
2283 has made reasonable efforts to reunify the parent with the child or  
2284 youth during a period of at least ninety days; (4) the parent was  
2285 convicted by a court of competent jurisdiction of sexual assault, except

2286 a conviction of a violation of section 53a-71 or 53a-73a resulting in the  
2287 conception of the child; or (5) the child or youth was placed in the care  
2288 and control of the commissioner pursuant to the provisions of sections  
2289 17a-57 to 17a-61, inclusive.

2290 (b) If the court determined that such efforts are not appropriate, the  
2291 court shall, at such hearing or at a hearing held not later than thirty  
2292 days from such determination, approve a permanency plan for such  
2293 child or youth which may include a requirement that the  
2294 commissioner file a petition to terminate parental rights, long-term  
2295 foster care, independent living, transfer of guardianship, or adoption.  
2296 The child's or youth's health and safety shall be of paramount concern  
2297 in formulating such plan.

2298 Sec. 57. Section 17a-112 of the general statutes is repealed and the  
2299 following is substituted in lieu thereof (*Effective October 1, 2003*):

2300 (a) In respect to any child or youth in the custody of the  
2301 Commissioner of Children and Families in accordance with section  
2302 46b-129, either the commissioner, or the attorney who represented  
2303 such child or youth in a pending or prior proceeding, or an attorney  
2304 appointed by the Superior Court on its own motion, or an attorney  
2305 retained by such child or youth after attaining the age of fourteen, may  
2306 petition the court for the termination of parental rights with reference  
2307 to such child or youth. The petition shall be in the form and contain the  
2308 information set forth in subsection (b) of section 45a-715, and be  
2309 subject to the provisions of subsection (c) of [said] section 45a-715. If a  
2310 petition indicates that either or both parents consent to the termination  
2311 of their parental rights, or if at any time following the filing of a  
2312 petition and before the entry of a decree, a parent consents to the  
2313 termination of the parent's parental rights, each consenting parent  
2314 shall acknowledge such consent on a form promulgated by the Office  
2315 of the Chief Court Administrator evidencing that the parent has  
2316 voluntarily and knowingly consented to the termination of such  
2317 parental rights. No consent to termination by a mother shall be  
2318 executed within forty-eight hours immediately after the birth of such

2319 mother's child. A parent who is a minor shall have the right to consent  
2320 to termination of parental rights and such consent shall not be voidable  
2321 by reason of such minority. A guardian ad litem shall be appointed by  
2322 the court to assure that such minor parent is giving an informed and  
2323 voluntary consent.

2324 (b) Either or both birth parents and [an intended] a prospective  
2325 adoptive parent may enter into a cooperative postadoption agreement  
2326 regarding communication or contact between either or both birth  
2327 parents and the adopted child or youth. Such an agreement may be  
2328 entered into if: (1) The child or youth is in the custody of the  
2329 Department of Children and Families; (2) an order terminating  
2330 parental rights has not yet been entered; and (3) either or both birth  
2331 parents agree to a voluntary termination of parental rights, including  
2332 an agreement in a case which began as an involuntary termination of  
2333 parental rights. The postadoption agreement shall be applicable only  
2334 to a birth parent who is a party to the agreement. Such agreement shall  
2335 be in addition to those under common law. Counsel for the child or  
2336 youth and any guardian ad litem for the child or youth may be heard  
2337 on the proposed cooperative postadoption agreement. There shall be  
2338 no presumption of communication or contact between the birth  
2339 parents and an intended adoptive parent in the absence of a  
2340 cooperative postadoption agreement.

2341 (c) If the Superior Court determines that the child's or youth's best  
2342 interests will be served by postadoption communication or contact  
2343 with either or both birth parents, the court shall so order, stating the  
2344 nature and frequency of the communication or contact. A court may  
2345 grant postadoption communication or contact privileges if: (1) Each  
2346 [intended] prospective adoptive parent consents to the granting of  
2347 communication or contact privileges; (2) the [intended] prospective  
2348 adoptive parent and either or both birth parents execute a cooperative  
2349 agreement and file the agreement with the court; (3) consent to  
2350 postadoption communication or contact is obtained from the child or  
2351 youth, if the child or youth is at least twelve years of age; and (4) the  
2352 cooperative postadoption agreement is approved by the court.

2353 (d) A cooperative postadoption agreement shall contain the  
2354 following: (1) An acknowledgment by either or both birth parents that  
2355 the termination of parental rights and the adoption is irrevocable, even  
2356 if the adoptive parents do not abide by the cooperative postadoption  
2357 agreement; and (2) an acknowledgment by the adoptive parents that  
2358 the agreement grants either or both birth parents the right to seek to  
2359 enforce the cooperative postadoption agreement.

2360 (e) The terms of a cooperative postadoption agreement may include  
2361 the following: (1) Provision for communication between the child or  
2362 youth and either or both birth parents; (2) provision for future contact  
2363 between either or both birth parents and the child or youth or an  
2364 adoptive parent; and (3) maintenance of medical history of either or  
2365 both birth parents who are parties to the agreement.

2366 (f) The order approving a cooperative postadoption agreement shall  
2367 be made part of the final order terminating parental rights. The finality  
2368 of the termination of parental rights and of the adoption shall not be  
2369 affected by implementation of the provisions of the postadoption  
2370 agreement. Such an agreement shall not affect the ability of the  
2371 adoptive parents and the child or youth to change their residence  
2372 within or outside this state.

2373 (g) A disagreement between the parties or litigation brought to  
2374 enforce or modify the agreement shall not affect the validity of the  
2375 termination of parental rights or the adoption and shall not serve as a  
2376 basis for orders affecting the custody of the child or youth. The court  
2377 shall not act on a petition to change or enforce the agreement unless  
2378 the petitioner had participated, or attempted to participate, in good  
2379 faith in mediation or other appropriate dispute resolution proceedings  
2380 to resolve the dispute and allocate any cost for such mediation or  
2381 dispute resolution proceedings.

2382 (h) An adoptive parent, guardian ad litem for the child or youth or  
2383 the court, on its own motion, may, at any time, petition for review of  
2384 any order entered pursuant to subsection (c) of this section, if the

2385 petitioner alleges that such action would be in the best interests of the  
2386 child or youth. The court may modify or terminate such orders as the  
2387 court deems to be in the best interest of the adopted child or youth.

2388 (i) The Superior Court upon hearing and notice, as provided in  
2389 sections 45a-716 and 45a-717, may grant a petition for termination of  
2390 parental rights based on consent filed pursuant to this section if it finds  
2391 that (1) upon clear and convincing evidence, the termination is in the  
2392 best interest of the child or youth, and (2) such parent has voluntarily  
2393 and knowingly consented to termination of the parent's parental rights  
2394 with respect to such child or youth. If the court denies a petition for  
2395 termination of parental rights based on consent, it may refer the matter  
2396 to an agency to assess the needs of the child or youth, the care the child  
2397 or youth is receiving and the plan of the parent for the child or youth.  
2398 Consent for the termination of the parental rights of one parent does  
2399 not diminish the parental rights of the other parent of the child or  
2400 youth, nor does it relieve the other parent of the duty to support the  
2401 child or youth.

2402 (j) The Superior Court, upon hearing and notice as provided in  
2403 sections 45a-716 and 45a-717, may grant a petition filed pursuant to  
2404 this section if it finds by clear and convincing evidence (1) that the  
2405 Department of Children and Families has made reasonable efforts to  
2406 locate the parent and to reunify the child or youth with the parent,  
2407 unless the court finds in this proceeding that the parent is unable or  
2408 unwilling to benefit from reunification efforts provided such finding is  
2409 not required if the court has determined at a hearing pursuant to  
2410 subsection (b) of section 17a-110, as amended by this act, or section  
2411 17a-111b, as amended by this act, that such efforts are not appropriate,  
2412 (2) that termination is in the best interest of the child or youth, and (3)  
2413 that: (A) The child or youth has been abandoned by the parent in the  
2414 sense that the parent has failed to maintain a reasonable degree of  
2415 interest, concern or responsibility as to the welfare of the child or  
2416 youth; (B) the child or youth (i) has been found by the Superior Court  
2417 or the Probate Court to have been neglected or uncared for in a prior  
2418 proceeding, or (ii) is found to be neglected or uncared for and has been

2419 in the custody of the commissioner for at least fifteen months and the  
2420 parent of such child or youth has been provided specific steps to take  
2421 to facilitate the return of the child or youth to the parent pursuant to  
2422 section 46b-129 and has failed to achieve such degree of personal  
2423 rehabilitation as would encourage the belief that within a reasonable  
2424 time, considering the age and needs of the child or youth, such parent  
2425 could assume a responsible position in the life of the child or youth;  
2426 (C) the child or youth has been denied, by reason of an act or acts of  
2427 parental commission or omission including, but not limited to, sexual  
2428 molestation or exploitation, severe physical abuse or a pattern of  
2429 abuse, the care, guidance or control necessary for the child's or youth's  
2430 physical, educational, moral or emotional well-being. Nonaccidental or  
2431 inadequately explained serious physical injury to a child or youth shall  
2432 constitute prima facie evidence of acts of parental commission or  
2433 omission sufficient for the termination of parental rights; (D) there is  
2434 no ongoing parent-child relationship, which means the relationship  
2435 that ordinarily develops as a result of a parent having met on a day to  
2436 day basis the physical, emotional, moral and educational needs of the  
2437 child or youth and to allow further time for the establishment or  
2438 reestablishment of such parent-child relationship would be  
2439 detrimental to the best interest of the child or youth; (E) the parent of a  
2440 child under the age of seven years who is neglected or uncared for, has  
2441 failed, is unable or is unwilling to achieve such degree of personal  
2442 rehabilitation as would encourage the belief that within a reasonable  
2443 period of time, considering the age and needs of the child, such parent  
2444 could assume a responsible position in the life of the child and such  
2445 parent's parental rights of another child were previously terminated  
2446 pursuant to a petition filed by the Commissioner of Children and  
2447 Families; (F) the parent has killed through deliberate, nonaccidental act  
2448 another child or youth of the parent or has requested, commanded,  
2449 importuned, attempted, conspired or solicited such killing or has  
2450 committed an assault, through deliberate, nonaccidental act that  
2451 resulted in serious bodily injury of another child or youth of the  
2452 parent; or (G) the parent was convicted as an adult or a delinquent by  
2453 a court of competent jurisdiction of a sexual assault resulting in the

2454 conception of the child or youth, except a conviction for a violation of  
2455 section 53a-71 or 53a-73a, provided the court may terminate such  
2456 parent's parental rights to such child or youth at any time after such  
2457 conviction.

2458 (k) Except in the case where termination is based on consent, in  
2459 determining whether to terminate parental rights under this section,  
2460 the court shall consider and shall make written findings regarding: (1)  
2461 The timeliness, nature and extent of services offered, provided and  
2462 made available to the parent and the child or youth by an agency to  
2463 facilitate the reunion of the child or youth with the parent; (2) whether  
2464 the Department of Children and Families has made reasonable efforts  
2465 to reunite the family pursuant to the federal Adoption Assistance and  
2466 Child Welfare Act of 1980, as amended; (3) the terms of any applicable  
2467 court order entered into and agreed upon by any individual or agency  
2468 and the parent, and the extent to which all parties have fulfilled their  
2469 obligations under such order; (4) the feelings and emotional ties of the  
2470 child or youth with respect to the child's or youth's parents, any  
2471 guardian of such child's or youth's person and any person who has  
2472 exercised physical care, custody or control of the child or youth for at  
2473 least one year and with whom the child or youth has developed  
2474 significant emotional ties; (5) the age of the child or youth; (6) the  
2475 efforts the parent has made to adjust such parent's circumstances,  
2476 conduct, or conditions to make it in the best interest of the child or  
2477 youth to return such child or youth home in the foreseeable future,  
2478 including, but not limited to, (A) the extent to which the parent has  
2479 maintained contact with the child or youth as part of an effort to  
2480 reunite the child or youth with the parent, provided the court may give  
2481 weight to incidental visitations, communications or contributions, and  
2482 (B) the maintenance of regular contact or communication with the  
2483 guardian or other custodian of the child or youth; and (7) the extent to  
2484 which a parent has been prevented from maintaining a meaningful  
2485 relationship with the child or youth by the unreasonable act or conduct  
2486 of the other parent of the child or youth, or the unreasonable act of any  
2487 other person or by the economic circumstances of the parent.

2488 (l) Any petition brought by the Commissioner of Children and  
2489 Families to the Superior Court, pursuant to subsection (a) of section  
2490 46b-129, may be accompanied by or, upon motion by the petitioner,  
2491 consolidated with a petition for termination of parental rights filed in  
2492 accordance with this section with respect to such child or youth. Notice  
2493 of the hearing on such petitions shall be given in accordance with  
2494 sections 45a-716 and 45a-717. The Superior Court, after hearing, in  
2495 accordance with the provisions of subsection (i) or (j) of this section,  
2496 may, in lieu of granting the petition filed pursuant to section 46b-129,  
2497 grant the petition for termination of parental rights as provided in  
2498 section 45a-717.

2499 (m) Nothing contained in this section and sections 17a-113, as  
2500 amended by this act, 45a-187, 45a-606, 45a-607, 45a-707 to 45a-709,  
2501 inclusive, 45a-715 to 45a-718, inclusive, 45a-724, 45a-725, 45a-727,  
2502 45a-733, 45a-754 and 52-231a shall negate the right of the  
2503 Commissioner of Children and Families to subsequently petition the  
2504 Superior Court for revocation of a commitment of a child or youth as  
2505 to whom parental rights have been terminated in accordance with the  
2506 provisions of this section. The Superior Court may appoint a statutory  
2507 parent at any time after it has terminated parental rights if the  
2508 petitioner so requests.

2509 (n) If the parental rights of only one parent are terminated, the  
2510 remaining parent shall be the sole parent and, unless otherwise  
2511 provided by law, guardian of the person.

2512 (o) In the case where termination of parental rights is granted, the  
2513 guardian of the person or statutory parent shall report to the court  
2514 within thirty days of the date judgment is entered on a case plan, as  
2515 defined by the federal Adoption Assistance and Child Welfare Act of  
2516 1980, for the child or youth which shall include measurable objectives  
2517 and time schedules. At least every three months thereafter, such  
2518 guardian or statutory parent shall make a report to the court on the  
2519 progress made on implementation of the plan. The court may convene  
2520 a hearing upon the filing of a report and shall convene a hearing for

2521 the purpose of reviewing the plan for the child or youth no more than  
2522 twelve months from the date judgment is entered or from the date of  
2523 the last permanency hearing held pursuant to subsection (k) of section  
2524 46b-129, whichever is earlier, and at least once a year thereafter until  
2525 the court determines that the adoption plan has become finalized. For  
2526 children and youth where the commissioner has determined that  
2527 adoption is appropriate, the report on the implementation of the plan  
2528 shall include a description of the reasonable efforts the department is  
2529 taking to promote and expedite the adoptive placement and to finalize  
2530 the adoption of the child or youth, including documentation of child or  
2531 youth specific recruitment efforts. At such hearing, the court shall  
2532 determine whether the department has made reasonable efforts to  
2533 achieve the permanency plan. If the court determines that the  
2534 department has not made reasonable efforts to place a child or youth  
2535 in an adoptive placement or that reasonable efforts have not resulted  
2536 in the placement of the child or youth, the court may order the  
2537 Department of Children and Families, within available appropriations,  
2538 to contract with a child-placing agency to arrange for the adoption of  
2539 the child or youth. The department, as statutory parent, shall continue  
2540 to provide care and services for the child or youth while a child-  
2541 placing agency is arranging for the adoption of the child or youth.

2542 (p) The provisions of this section shall be liberally construed in the  
2543 best interests of any child or youth for whom a petition under this  
2544 section has been filed.

2545 Sec. 58. Section 17a-113 of the general statutes is repealed and the  
2546 following is substituted in lieu thereof (*Effective October 1, 2003*):

2547 When application has been made for the removal of one or both  
2548 parents as guardians or of any other guardian of the person of such  
2549 child or youth, or when an application has been made for the  
2550 termination of the parental rights of any parties who may have  
2551 parental rights with regard to any minor child or youth, the superior  
2552 court in which such proceeding is pending may, if it deems it  
2553 necessary based on the best interests of the child or youth, order the

2554 custody of such child or youth to be given to the Commissioner of  
2555 Children and Families or some proper person or to the board of  
2556 managers of any child-caring institution or organization, or any  
2557 children's home or similar institution licensed or approved by the  
2558 Commissioner of Children and Families, pending the determination of  
2559 the matter, and may enforce such order by a warrant directed to a  
2560 proper officer commanding the officer to take possession of the child  
2561 or youth and to deliver such child or youth into the custody of the  
2562 person, board, home or institution designated by such order; and said  
2563 court may, if either or both parents are removed as guardians or if any  
2564 other guardian of the person is removed, or if said parental rights are  
2565 terminated, enforce its decree, awarding the custody of the child or  
2566 youth to the person or persons entitled thereto, by a warrant directed  
2567 to the proper officer commanding the officer to take possession of the  
2568 child or youth and to deliver such child or youth into the care and  
2569 custody of the person entitled thereto. Such officer shall make returns  
2570 to such court of such officer's doings under either warrant. Upon the  
2571 issuance of such order giving custody of the child or youth to the  
2572 Commissioner of Children and Families, or not later than sixty days  
2573 after the issuance of such order, the court shall make a determination  
2574 whether the Department of Children and Families made reasonable  
2575 efforts to keep the child or youth with his or her parents or guardian  
2576 prior to the issuance of such order and, if such efforts were not made,  
2577 whether such reasonable efforts were not possible, taking into  
2578 consideration the child's or youth's best interests, including the child's  
2579 or youth's health and safety.

2580 Sec. 59. Subsections (a) and (b) of section 17a-114 of the general  
2581 statutes are repealed and the following is substituted in lieu thereof  
2582 (*Effective October 1, 2003*):

2583 (a) No child or youth in the custody of the Commissioner of  
2584 Children and Families shall be placed with any person, unless such  
2585 person is licensed by the department, the Department of Public Health  
2586 under the provisions of section 19a-491 or the Department of Mental  
2587 Retardation under the provisions of section 17a-227 for that purpose or

2588 a home approved by a child placing agency licensed by the  
2589 Commissioner of Children and Families under section 17a-149, as  
2590 amended by this act. Any person licensed by the department to accept  
2591 placement of a child or youth is deemed to be licensed to accept  
2592 placement as a foster family or prospective adoptive family. The  
2593 commissioner shall adopt regulations, in accordance with the  
2594 provisions of chapter 54, to establish the licensing procedures and  
2595 standards.

2596 (b) Notwithstanding the requirements of subsection (a) of this  
2597 section, the commissioner may place a child or youth with a relative  
2598 who is not licensed for a period of up to ninety days when such  
2599 placement is in the best interests of the child or youth, provided a  
2600 satisfactory home visit is conducted, a basic assessment of the family is  
2601 completed and such relative attests that such relative and any adult  
2602 living within the household have not been convicted of a crime or  
2603 arrested for a felony against a person, for injury or risk of injury to or  
2604 impairing the morals of a child or youth, or for the possession, use or  
2605 sale of a controlled substance. Any such relative who accepts  
2606 placement of a child or youth in excess of such ninety-day period shall  
2607 be subject to licensure by the commissioner, except that any such  
2608 relative who, prior to July 1, 2001, had been certified by the  
2609 commissioner to provide care for a related child or youth may  
2610 continue to maintain such certification if such relative continues to  
2611 meet the regulatory requirements and the child or youth remains in  
2612 such relative's care. The commissioner may grant a waiver [,] for a  
2613 child or youth placed with a relative, on a case-by-case basis, from  
2614 such procedure or standard, except any safety standard, based on the  
2615 home of the relative and the needs and best interests of such child or  
2616 youth. The reason for any waiver granted shall be documented. The  
2617 commissioner shall adopt regulations, in accordance with the  
2618 provisions of chapter 54, to establish certification procedures and  
2619 standards for a caretaker who is a relative of such child or youth.

2620 Sec. 60. Section 17a-114a of the general statutes is repealed and the  
2621 following is substituted in lieu thereof (*Effective October 1, 2003*):

2622 A person licensed or certified pursuant to section 17a-114, as  
2623 amended by this act, shall be liable for any act or omission resulting in  
2624 personal injury to a child or youth placed in [his] such person's care by  
2625 the Commissioner of Children and Families to the same extent as a  
2626 biological parent is liable for any act or omission resulting in personal  
2627 injury to a biological child or youth in [his] such parent's care.

2628 Sec. 61. Section 17a-115 of the general statutes is repealed and the  
2629 following is substituted in lieu thereof (*Effective October 1, 2003*):

2630 Notwithstanding any provision of the general statutes to the  
2631 contrary, prior to the issuance of a license or certification to any person  
2632 for the care or board of a child or youth under the provisions of section

2634 under the provisions of section 17a-114, as amended by this act, the  
2635 commissioner may obtain all arrest records of any such person or  
2636 persons pertaining to any arrest for a felony against a person, for  
2637 injury or risk of injury to or impairing the morals of a child or youth,  
2638 or for possession, use or sale of any controlled substance.

2641 The Department of Children and Families shall, within available  
2642 appropriations, prepare an information handbook for any individual  
2643 interested in adopting a child or youth with special needs. The

2654 section 45a-746. The handbook shall be developed and updated by the  
2655 Commissioner of Children and Families with the advice and assistance  
2656 of the Connecticut Association of Foster and Adoptive Families and at  
2657 least two other licensed child-placing agencies in Connecticut  
2658 designated by the commissioner.

2659 Sec. 63. Section 17a-116b of the general statutes is repealed and the  
2660 following is substituted in lieu thereof (*Effective October 1, 2003*):

2663 youth who are difficult to place in adoption is established within the  
2664 Department of Children and Families.

2665 (b) The committee is composed of twelve members appointed by the  
2666 commissioner. The commissioner shall appoint to the committee  
2667 individuals who in the aggregate have knowledge of and experience in  
2668 community education, cultural relations, family support, counseling,  
2669 and parenting skills and education.

2670 (c) A committee member serves for a two-year term and may be  
2671 appointed for additional terms.

2672 (d) A member of the committee receives no compensation.

2673 (e) The committee shall elect one member to serve as presiding  
2674 officer. The presiding officer serves for a two-year term and may be  
2675 elected for additional terms.

2676 (f) The commissioner shall set the time and place of the first  
2677 committee meeting. The committee shall meet at least quarterly.

2678 (g) To promote the adoption of and provision of services to minority  
2679 children and youth, the committee shall:

2680 (1) Study, develop and evaluate programs and projects relating to

2690 may adopt rules to implement a program or project recommended

2692 and donations to implement a program or project recommended by  
2693 the committee.

2694 (i) The department shall report to the General Assembly not later  
2695 than January first of each odd-numbered year following the first year  
2696 in which it receives recommendations under this section regarding  
2697 committee recommendations and action taken by the department  
2698 under this section.

2699 Sec. 64. Section 17a-117 of the general statutes is repealed and the  
2700 following is substituted in lieu thereof (*Effective October 1, 2003*):

2701 (a) The Department of Children and Families may, and is  
2702 encouraged to contract with child-placing agencies to arrange for the  
2703 adoption of children and youth who are free for adoption. If (1) a child  
2704 or youth for whom adoption is indicated, cannot, after all reasonable  
2705 efforts consistent with the best interests of the child or youth, be placed  
2706 in adoption through existing sources because the child or youth is a  
2707 special needs child, and (2) the adopting family meets the standards  
2708 for adoption which any other adopting family meets, the  
2709 Commissioner of Children and Families shall, before adoption of such  
2710 child or youth by such family, certify such child or youth as a special  
2711 needs child and, after adoption, provide one or more of the following  
2712 subsidies for the adopting parents: (A) A special-need subsidy, which  
2713 is a lump sum payment paid directly to the person providing the  
2714 required service, to pay for an anticipated expense resulting from the

2715 adoption when no other resource is available for such payment; or (B)  
2716 a periodic subsidy which is a payment to the adopting family. [; and  
2717 (C) in] In addition to the subsidies granted under this subsection, any  
2718 medical benefits which are being provided prior to final approval of  
2719 the adoption by the Court of Probate in accordance with the fee  
2720 schedule and payment procedures under the state Medicaid program  
2721 administered by the Department of Social Services shall continue as  
2722 long as the child or youth qualifies as a dependent of the adoptive  
2723 parent under the provisions of the Internal Revenue Code. Such  
2724 medical subsidy may continue only until the child or youth reaches  
2725 age twenty-one. A special-need subsidy may only be granted until the  
2726 child or youth reaches age eighteen. A periodic subsidy may continue  
2727 only until the child or youth reaches age eighteen and is subject to  
2728 biennial review as provided for in section 17a-118, as amended by this  
2729 act. The amount of a periodic subsidy shall not exceed the current costs  
2730 of foster maintenance care.

2731 (b) Requests for subsidies after a final approval of the adoption by  
2732 the Court of Probate may be considered at the discretion of the  
2733 commissioner for conditions resulting from or directly related to the  
2734 totality of circumstances surrounding the child or youth prior to  
2735 placement in adoption. A written certification of the need for a subsidy  
2736 shall be made by the Commissioner of Children and Families in each  
2737 case and the type, amount and duration of the subsidy shall be  
2738 mutually agreed to by the commissioner and the adopting parents  
2739 prior to the entry of such decree. Any subsidy decision by the  
2740 Commissioner of Children and Families may be appealed by a licensed  
2741 child-placing agency or the adopting parent or parents to the Adoption  
2742 Subsidy Review Board established under subsection (c) of this section.  
2743 The commissioner shall adopt regulations establishing the procedures  
2744 for determining the amount and the need for a subsidy.

2745 (c) There is established an Adoption Subsidy Review Board to hear  
2746 appeals under this section [, section] and sections 17a-118 and [section]  
2747 17a-120, as amended by this act. The board shall consist of the  
2748 Commissioner of Children and Families, or the commissioner's

2749 designee, and a licensed representative of a child-placing agency and  
2750 an adoptive parent appointed by the Governor. The Governor shall  
2751 appoint an alternate licensed representative of a child-placing agency  
2752 and an alternate adoptive parent. Such alternative members shall,  
2753 when seated, have all the powers and duties set forth in this section  
2754 and sections 17a-118 and 17a-120, as amended by this act. Whenever  
2755 an alternate member serves in place of a member of the board, such  
2756 alternate member shall represent the same interest as the member in  
2757 whose place such alternative member serves. All decisions of the board  
2758 shall be based on the best interest of the child or youth. Appeals under  
2759 this section shall be in accordance with the provisions of chapter 54.

2760 Sec. 65. Section 17a-118 of the general statutes is repealed and the  
2761 following is substituted in lieu thereof (*Effective October 1, 2003*):

2762 (a) There shall be a biennial review of the subsidy by the  
2763 Commissioner of Children and Families in accordance with a schedule  
2764 established by the commissioner or the commissioner's designee. The  
2765 adoptive parents shall, at the time of such review, submit a sworn  
2766 statement that the condition which caused the child or youth to be  
2767 certified as a special needs child or a related condition continues to  
2768 exist or has reoccurred and that the adoptive parent or parents are still  
2769 legally responsible for the support of the child or youth and that the  
2770 child or youth is receiving support from the adoptive family. If the  
2771 subsidy is to be terminated or reduced by the Commissioner of  
2772 Children and Families, notice of such proposed reduction or  
2773 termination shall be given, in writing, to the adoptive parents and such  
2774 adoptive parents shall, at least thirty days prior to the imposition of  
2775 said reduction or termination, be given a hearing before the Adoption  
2776 Subsidy Review Board. If such an appeal is taken, the subsidy shall  
2777 continue without modification until the final decision of the Adoption  
2778 Subsidy Review Board.

2779 (b) A child or youth who is a resident of the state of Connecticut  
2780 when eligibility for subsidy is certified, shall remain eligible and  
2781 continue to receive the subsidy regardless of the domicile or residence

2782 of the adoptive parents at the time of application for adoption,  
2783 placement, legal decree of adoption or thereafter.

2784 Sec. 66. Section 17a-119 of the general statutes is repealed and the  
2785 following is substituted in lieu thereof (*Effective October 1, 2003*):

2786 The Department of Children and Families shall establish and  
2787 maintain an ongoing program of subsidized adoption and shall  
2788 encourage the use of the program and assist in finding families for  
2789 children and youth. The commissioner shall adopt regulations, in  
2790 accordance with the provisions of chapter 54, to administer the  
2791 program by December 31, 1987. Payment of subsidies under sections  
2792 17a-116 to 17a-119, inclusive, as amended by this act, and subsection  
2793 (b) of section 45a-111, shall be made from moneys available from any  
2794 source to the Department of Children and Families for child welfare  
2795 purposes.

2796 Sec. 67. Section 17a-120 of the general statutes is repealed and the  
2797 following is substituted in lieu thereof (*Effective October 1, 2003*):

2798 (a) Any child or youth who is blind or physically disabled as  
2799 defined by section 1-1f, mentally disabled, seriously emotionally  
2800 maladjusted or has a recognized high risk of physical or mental  
2801 disability as defined in the regulations adopted by the Commissioner  
2802 of Children and Families pursuant to section 17a-118, as amended by  
2803 this act, who is to be given or has been given in adoption by a statutory  
2804 parent, as defined in section 45a-707, shall be eligible for a one  
2805 hundred per cent medical expense subsidy in accordance with the fee  
2806 schedule and payment procedures under the state Medicaid program  
2807 administered by the Department of Social Services where such  
2808 condition existed prior to such adoption, provided such expenses are  
2809 not reimbursed by health insurance, or federal or state payments for  
2810 health care. Application for such subsidy shall be made to the  
2811 Commissioner of Children and Families by such child's or youth's  
2812 adopting or adoptive parent or parents. Said commissioner shall adopt  
2813 regulations governing the procedures for application and criteria for

determination of the existence of such condition. A written determination of eligibility shall be made by said commissioner and may be made prior to or after identification of the adopting parent or parents. Upon a finding of eligibility, an application for such medical expense subsidy by the adopting or adoptive parent or parents on behalf of the child or youth shall be granted, and such adopting or adoptive parent or parents shall be issued a medical identification card for such child or youth by the Department of Children and Families for the purpose of providing for payment for the medical expense subsidy. The subsidy set forth in this section shall not preclude the granting of either subsidy set forth in section 17a-117, as amended by this act, except, if the child or youth is eligible for subsidy under this section, his or her adopting parent or parents shall not be granted a subsidy or subsidies set forth in section 17a-117, as amended by this act, that would be granted for the same purposes as the child's or youth's subsidy.

(b) There shall be an annual review of the medical expense subsidy set forth in subsection (a) of this section by the Commissioner of Children and Families. If, upon such annual review, the commissioner determines that the child or youth continues to have a condition for which the subsidy was granted or has medical conditions related to such condition, and that the adoptive parent or parents are still legally responsible for the support of the child or youth and that the child or youth is receiving support from the adoptive family, the commissioner shall not terminate or reduce such subsidy. If the condition is corrected and conditions related to it no longer exist, or if the adoptive parent or parents are no longer legally responsible for the support of the child or youth or if the child or youth is no longer receiving any support from the adoptive family, the commissioner may reduce or terminate eligibility for such subsidy. If, following such reduction or termination, such condition or related conditions reoccur, the adopting or adoptive parent or parents may reapply for such subsidy. Upon receipt of such application and determination that such condition or related conditions have reoccurred, the commissioner shall grant such subsidy

2848 provided the adoptive parent or parents are still legally responsible for  
2849 the support of the child or youth or the child or youth is receiving  
2850 support from the adoptive family. If the subsidy is to be reduced or  
2851 terminated by said commissioner, notice of such proposed reduction  
2852 or termination shall be given, in writing, to the adoptive parent or  
2853 parents and such adoptive parent or parents shall, at least thirty days  
2854 prior to the imposition of said reduction or termination, be given a  
2855 hearing before the Adoption Subsidy Review Board. If such an appeal  
2856 is taken, the subsidy shall continue without modification or  
2857 termination until the final decision of the Adoption Subsidy Review  
2858 Board. Eligibility for such subsidy may continue until the child's or  
2859 youth's twenty-first birthday if the condition that caused the child or  
2860 youth to be certified as a special needs child or related conditions  
2861 continue to exist or have reoccurred and the child or youth continues  
2862 to qualify as a dependent of the legal adoptive parent under the  
2863 Internal Revenue Code. In no case shall the eligibility for such subsidy  
2864 continue beyond the child's or youth's twenty-first birthday.

2865 Sec. 68. Section 17a-126 of the general statutes is repealed and the  
2866 following is substituted in lieu thereof (*Effective October 1, 2003*):

2867 [(a) As used in this section, "relative caregiver" means a person who  
2868 is caring for a child related to such person because the parent of the  
2869 child has died or become otherwise unable to care for the child for  
2870 reasons that make reunification with the parent not a viable option  
2871 within the foreseeable future and "commissioner" means the  
2872 Commissioner of Children and Families.]

2873 [(b)] (a) The Commissioner of Children and Families shall establish  
2874 a program of subsidized guardianship for the benefit of children and  
2875 youth in the care or custody of the commissioner who are living with  
2876 relative caregivers and who have been in foster care or certified  
2877 relative care for not less than eighteen months. The commissioner,  
2878 within available appropriations, may establish a program of  
2879 subsidized guardianship for the benefit of children and youth in the  
2880 care or custody of the commissioner who are living with relative

2881 caregivers and who have been in foster care or certified relative care  
2882 for not less than twelve but not more than eighteen months. A relative  
2883 caregiver may request a guardianship subsidy from the commissioner.  
2884 If adoption of the child or youth by the relative caregiver is an option,  
2885 the commissioner shall counsel the caregiver about the advantages and  
2886 disadvantages of adoption and subsidized guardianship so that the  
2887 decision by the relative caregiver to request a subsidized guardianship  
2888 may be a fully informed one.

2889 [(c)] (b) The subsidized guardianship program shall provide the  
2890 following subsidies for the benefit of any child or youth in the care of a  
2891 relative caregiver who has been appointed the guardian or coguardian  
2892 of the child or youth by any court of competent jurisdiction: (1) A  
2893 special-need subsidy, which shall be a lump sum payment for one-time  
2894 expenses resulting from the assumption of care of the child or youth  
2895 when no other resource is available to pay for such expense; and (2) a  
2896 medical subsidy comparable to the medical subsidy to children and  
2897 youth in the subsidized adoption program if the child or youth lacks  
2898 private health insurance. The subsidized guardianship program shall  
2899 also provide a monthly subsidy on behalf of the child or youth payable  
2900 to the relative caregiver that shall be equal to the prevailing foster care  
2901 rate. The commissioner may establish an asset test for eligibility under  
2902 the program.

2903 [(d)] (c) The commissioner shall adopt regulations, in accordance  
2904 with chapter 54, implementing the subsidized guardianship program  
2905 established under this section. Such regulations shall require, as a  
2906 prerequisite to payment of a guardianship subsidy for the benefit of a  
2907 [minor] child or youth, that a home study report be filed with the court  
2908 having jurisdiction of the case of the [minor] child or youth within  
2909 fifteen days of the request for a subsidy, provided that no such report  
2910 shall be required to be filed if a report has previously been provided to  
2911 the court or if the caregiver has been determined to be a certified  
2912 relative caregiver by the commissioner. The regulations shall also  
2913 establish a procedure comparable to that for the subsidized adoption  
2914 program to determine the types and amounts of subsidy to be granted

2915 by the commissioner as provided in subsection [(c)] (b) of this section,  
2916 for annual review of the subsidy as provided in subsection [(e)] (d) of  
2917 this section and for appeal from decisions by the commissioner  
2918 denying, modifying or terminating such subsidies.

2919 [(e)] (d) The guardianship subsidy provided under this section shall  
2920 continue until the child or youth reaches the age of eighteen or the age  
2921 of twenty-one if such child or youth is in full time attendance at a  
2922 secondary school, technical school or college or is in a state accredited  
2923 job training program. Annually, the subsidized guardian shall submit  
2924 to the commissioner a sworn statement that the child or youth is still  
2925 living with and receiving support from the guardian. The parent of  
2926 any child or youth receiving assistance through the subsidized  
2927 guardianship program shall remain liable for the support of the child  
2928 or youth as required by the general statutes.

2929 [(f)] (e) A guardianship subsidy shall not be included in the  
2930 calculation of household income in determining eligibility for benefits  
2931 of the relative caregiver of the subsidized child or youth or other  
2932 persons living within the household of the relative caregiver.

2933 [(g)] (f) Payments for guardianship subsidies shall be made from  
2934 moneys available from any source to the commissioner for child  
2935 welfare purposes. The commissioner shall develop and implement a  
2936 plan that: (1) Maximizes use of the subsidized guardianship program  
2937 to decrease the number of children and youth in the legal custody of  
2938 the Commissioner of Children and Families and to reduce the number  
2939 of children and youth who would otherwise be placed into foster care  
2940 when there is a family member willing to provide care; (2) maximizes  
2941 federal reimbursement for the costs of the subsidized guardianship  
2942 program, provided whatever federal maximization method is  
2943 employed shall not result in the relative caregiver of a child or youth  
2944 being subject to work requirements as a condition of receipt of benefits  
2945 for the child or youth or the benefits restricted in time or scope other  
2946 than as specified in subsection [(c)] (b) of this section; and (3) ensures  
2947 necessary transfers of funds between agencies and interagency

2948 coordination in program implementation. The Commissioner of  
2949 Children and Families shall seek all federal waivers as are necessary  
2950 and appropriate to implement this plan.

2951 Sec. 69. Subsection (a) of section 17a-127 of the general statutes is  
2952 repealed and the following is substituted in lieu thereof (*Effective*  
2953 *October 1, 2003*):

2954 (a) The following shall be established for the purposes of  
2955 developing and implementing an individual service plan: Within  
2956 available appropriations, a child specific team may be developed by  
2957 the family of a child or youth with complex behavioral health service  
2958 needs which shall provide for family participation in all aspects of  
2959 assessment, planning and implementation of services and may include,  
2960 but need not be limited to, family members, the child or [adolescent]  
2961 youth if appropriate, clergy, school personnel, representatives of local  
2962 or regional agencies providing programs and services for children and  
2963 youth, a family advocate, and other community or family  
2964 representatives. The team shall designate one member to be the team  
2965 coordinator. The team coordinator shall, with the consent of the  
2966 parent, guardian, child or youth, [or emancipated minor,] compile the  
2967 results of all assessments and evaluations completed prior to the  
2968 preparation of an individual service plan that document the service  
2969 needs of the child or youth, make decisions affecting the  
2970 implementation of an individual service plan, and make referrals to  
2971 community agencies and resources in accordance with an individual  
2972 service plan. The care coordinator shall not make decisions affecting  
2973 the implementation of the individual service plan without the consent  
2974 of the parent, guardian, child or youth, [or emancipated minor,] except  
2975 as otherwise provided by law.

2976 Sec. 70. Section 17a-129 of the general statutes is repealed and the  
2977 following is substituted in lieu thereof (*Effective October 1, 2003*):

2978 There shall be no requirement for the Department of Children and  
2979 Families to seek custody of any child or youth with mental illness,

2980 emotional disturbance, a behavioral disorder or developmental or  
2981 physical disability if such child or youth is voluntarily placed with the  
2982 department by a parent or guardian of the child or youth for the  
2983 purpose of accessing an out-of-home placement or intensive outpatient  
2984 service, including, but not limited to, residential treatment programs,  
2985 therapeutic foster care programs and extended day treatment  
2986 programs, except as permitted pursuant to sections 17a-101g, as  
2987 amended by this act, and 46b-129. Commitment to or protective  
2988 supervision [or protection] by the department shall not be a condition  
2989 for receipt of services or benefits delivered or funded by the  
2990 department.

2991 Sec. 71. Section 17a-131 of the general statutes is repealed and the  
2992 following is substituted in lieu thereof (*Effective October 1, 2003*):

2993 Any person who has direct supervision of children or youth placed  
2994 by the state in a state facility or private institution shall be trained in  
2995 cardiopulmonary resuscitation.

2996 Sec. 72. Section 17a-145 of the general statutes is repealed and the  
2997 following is substituted in lieu thereof (*Effective October 1, 2003*):

2998 No person or entity shall care for or board a child or youth without  
2999 a license obtained from the Commissioner of Children and Families,  
3000 except: (1) When a child or youth has been placed by a person or entity  
3001 holding a license from the commissioner; (2) any residential  
3002 educational institution exempted by the state Board of Education  
3003 under the provisions of section 17a-152, as amended by this act; (3)  
3004 institutions licensed by the Department of Public Health under the  
3005 provisions of section 19a-491; (4) residential facilities licensed by the  
3006 Department of Mental Retardation under the provisions of section 17a-  
3007 227, as amended by this act; or [(3)] (5) facilities providing child day  
3008 care services, as defined in section 19a-77. The person or entity seeking  
3009 a child-care facility license shall file with the commissioner an  
3010 application for a license, in such form as the commissioner furnishes,  
3011 stating the location where it is proposed to care for such child or

3012 youth, the number of children and youth to be cared for, in the case of  
3013 a corporation, the purpose of the corporation and the names of its chief  
3014 officers and of the actual person responsible for the child or youth. The  
3015 Commissioner of Children and Families is authorized to fix the  
3016 maximum number of children and youth to be boarded and cared for  
3017 in any such home or institution or by any person or entity licensed by  
3018 the commissioner. Each person or entity holding a license under the  
3019 provisions of this section shall file annually, with the commissioner, a  
3020 report stating the number of children and youth received and removed  
3021 during the year, the number of deaths and the causes of death, the  
3022 average cost of support per capita and such other data as he may  
3023 prescribe.
